

**IN THE UNITED STATES DISTRICT COURT FOR THE  
NORTHERN DISTRICT OF OKLAHOMA**

UNITED STATES OF AMERICA,	)	
	)	
Plaintiff/Respondent,	)	
	)	
vs.	)	Case No. 09-cr-0043-SPF
	)	
LINDSEY KENT SPRINGER,	)	
	)	
Defendant/Movant.	)	

**ORDER**

Presumably because this court vacated its order at doc. no. 606 as directed by the Court of Appeals in United States v. Springer, No. 15-5109 (November 13, 2017), the clerk has reinstated Mr. Springer's Motion to Enjoin (doc. no. 604), which was the subject of the now-vacated order. The Court of Appeals' decision in United States v. Springer makes clear that Mr. Springer's Motion to Enjoin is a second or successive petition for habeas relief under 28 U.S.C. § 2255 which should either be dismissed or transferred to the Court of Appeals. There is no reason to transfer the motion, and the motion is **DISMISSED** as an unauthorized second or successive petition over which this court has no jurisdiction. A certificate of appealability is **DENIED**.

Dated this 29<sup>th</sup> day of November, 2017.
